# brand *noun*

1. The identity or image of a company.

## What is your brand?

Let Expenet design or expand your brand to build your customer base.

### Graphic Design

Creative. Visionary. Strategic. It's not just a nice looking brochure or fancy website. It's a strategy to increase awareness of your business and what you offer. Some of the graphic design materials we specialize in:

- Logos
- Brochures
- Websites
- Banners
- Posters
- Business Cards
- Sales Collateral
- Newspaper Ads
- Digital Ads
- Training
- Presentations
- And more!

### Social Media

Let us help market your business! Our expertise in social media campaigns (Facebook, Instagram, Twitter, etc.) will expand your reach and drive more revenue.

### Brand Guidelines

Consistency is paramount in establishing a recognizable brand. We specialize in developing brand guidelines (logo placement, colors, etc.) to create a cohesive and effective identity in your industry.
